### #1 Click one of these

### #2 Complete info as required, then ADD TO CART (DUH...I know this is the simple stuff)

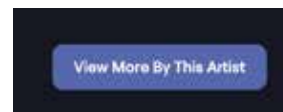

*If you don't want to order shirts, proceed to #3)*

### #3 When the cart appears, click the thumbnail of the shirt to return to the previous page. Scroll down to this section to see other items available (use the menu above the images to check out all items as they don't automatically show up under featured!)

### #4 If you want to return to home page of my shop to see the other version click this button a bit further down.

### #5 Enjoy your purchases and the Festival!!

will be donated to the HVHFC.
